

Hands-on Training on Substation Engineering

3rd – 5th August 2022

Venue : Hitachi EnergyTEC, Hitachi Energy India Limited, Maneja, Vadodara

Organized by

Central Board of Irrigation and Power

In Association With

HITACHI
Inspire the Next

BACKGROUND

Central Board of Irrigation & Power (CBIP) a premier Institution, setup by GOI in 1927 is serving the nation in the disciplines of Power, Renewable Energy and Water Resources Sectors for more than 95 years.

It is an exchange and knowledge bank for dissemination of technical knowledge & professional experience to help Engineers/ Professionals to update their knowledge and gain practical know-how.

CBIP's main objective is:

- to disseminate technical knowledge through various modes, e.g., publication of technical documents, organizing conferences /workshops
- to provide specialized training to the professionals in the Power, Renewable Energy and Water Resources Sectors.

CBIP realizing the importance of competency development and with the aim to create large reservoir of highly qualified manpower in all fields related to engineering, technology & technology management has recently signed an MoU with Hitachi Energy India Limited for jointly providing hands-on training to the professionals for skill development.

As the hands-on training help to understand the concepts, it is important to blend the practical demonstrations with theory for engineers to put the knowledge into practice. This is challenging as the equipment installed at working substations are not available for experimentation and exploring the same to test different concepts and theories learnt. Hands-on training will help participants to explore and see the concepts working in the field. These trainings will help the participants to effectively perform with higher productivity and bridge the gap between today's industry demand of highly adaptive workforce and competency development needs thereby creating excellency in the industrial working.

It is with above aim the CBIP is organising a hands-on training on "Substation Engineering" from 3-5 August 2022. The eminent faculties from Hitachi Energy India Limited and other invited experts on the subject will deliver the presentations covering following topics:

- Switchyard Basics, Various Switching Configurations
- Overview of substation design calculations, Layout Engineering
- Substation Insulation Coordination
- Basics of interlocking philosophy for different bus configurations
- Equipment specifications during s/s engineering
- Substation Engineering – Utility perspective

Venue for the Course : Hitachi EnergyTEC, Hitachi Energy India Limited, Maneja, Vadodara

WHO SHOULD ATTEND

The training program is open to various utilities and industry organizations/ individuals in the field of power system.

COURSE FEE

The duration for the training will be for 3 days.

The event is non-residential. Participants will have to make their own arrangements for travel, boarding and lodging etc.

The registration fee will be Rs 30,000/- per participant + 18% GST shall be charged extra. The registration fee will cover the **professional fees; site visit including Hands on/Demo in the Lab; working lunch; Tea/coffee/snacks during the course.**

TO REGISTER

The participants, desirous of attending the above training may register themselves by sending the Registration Form to CBIP along with necessary payments. **Participants are advised to bring GST No, of their organization along with name of office to whom the invoice is to be sent.**

PAYMENT

All payments be made through cheque at par in favour of 'Central Board of Irrigation & Power', payable at Delhi or amount deposited/ transferred to HDFC Bank, CBIP A/c no. 00031110004411, MICR No. 110240001, Swift Code : HDFCINBBDEL, IFSC: HDFC 0000003, Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi – 110001 (**CBIP GST No. 07AAAJC0237F1ZU**)

After making of the payment online in respect of the event, the details like UTR/Organization name to be furnished immediately.

ADDRESS FOR CORRESPONDENCE

Shri A.K. Dinkar, Secretary, CBIP

Shri Sanjeev Singh, Director, CBIP

Central Board of Irrigation and Power, Malcha Marg, Chanakyapuri, New Delhi - 110021

Phone : 011-26115984/2687 6229/2688 0557 Fax: :011-2611 6347

Nodal Officer:

Vishan Dutt, Chief Manager, CBIP – M : 9811431554, E-mail : vishandutt@cbip.org Website : www.cbip.org

S.K. Batra, Consultant, CBIP – M : 9811943812, E-mail : batra@cbip.org

Hitachi EnergyTEC is India's leading technology and knowledge institute with state of art facility for practical training and learning in futuristic and current power engineering, power automation and digital technologies.

Designed to be India's leading technology and knowledge institute, Hitachi EnergyTEC imparts training and learning in futuristic and current power engineering, power automation and digital technologies. Thus enabling a stronger, smarter and greener grid, industrial installations and urban transportation.

With decades of unparalleled domain knowledge and experience, Hitachi Energy's expert team of trainers offer hands-on training across the value chain of generation, transmission, distribution, transportation, services and safety, under a single roof. This future-proof facility integrates best-in-class demonstrations and in-depth technical proficiency to up skill up engineers to make in India and neighboring countries, all while optimizing your operations.

Training programmes conducted so far:

- 70000+ man days of training power system professionals completed so far.
- Courses covering entire value chain with Expertise across generation, transmission, distribution and transportation.
- Courses in the area of:
 - Electrical Safety
 - High Voltage Switchgear (up to 1,200 kV), Transformers
 - Medium Voltage Switchgear and protection
 - Power system studies, Power system earthing
 - Condition monitoring of switchyard & asset performance management
 - Digitalization of Powergrids, Microgrids & BESS
 - HVDC & FACTS

Hands-on Training on Substation Engineering

3rd – 5th August 2022

Hitachi EnergyTEC, Hitachi Energy India Limited, Maneja, Vadodara

REGISTRATION FORM

(To be filled in block letters preferably)

1. Name : _____
2. Position : _____
3. Organization : _____
4. Address : _____
5. Phone : _____ Fax No. _____
6. Email : _____

Dated _____

Signature _____

Details/ Amount of Registration fee Paid:

All payments should be made by cheque at par/Demand Draft drawn in favour of "Central Board of Irrigation and Power", payable at New Delhi OR by transfer the amount to HDFC Bank, Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi 110001; Saving Bank Account No. : 00031110004411; Swift Code: HDFCINBBDEL; IFSC: HDFC 0000003; MICR Code: 110240001. (GST No. 07AAAJC0237F1ZU).

After making the payment online in respect of the event, the details like UTR/Organization name to be furnished immediately.

Registration Form, duly filled in, is to be mailed to the following address:

Shri A.K. Dinkar

Secretary, Central Board of Irrigation and Power, Malcha Marg, Chanakyapuri, New Delhi 110 021, India

Tel: 91-11-26115984/26116567 Fax: 91-11-26116347

E-mail: vishandutt@cbip.org; batra@cbip.org Web-site: <http://www.cbip.org>

Note:

- Photocopies of the registration form can be used for additional requirements, if any.
- Spot registration facilities will also be available, provided the prior information is received.
