Background
Central Board of Irrigation & Power (CBIP) a premier Institution, setup by GOI in 1927 is serving the nation in the disciplines of Power, Renewable Energy and Water Resources Sectors for more than 94 years.

It is an exchange and knowledge bank for dissemination of technical knowledge & professional experience to help Engineers/Professionals to update their knowledge and gain practical know-how.

CBIP’s Main Objective
• To disseminate technical knowledge through various modes, e.g., publication of technical documents, organizing conferences/workshops.
• To provide specialized training to the professionals in the Power, Renewable Energy and Water Resources Sectors.

Unique Features of Online Trainings
• Training with high safety of participant’s as no travel & travel related cost is involved.
• Expert’s Panel discussions within participants.
• Learning and working balance as our sessions are planned for 2 hours per day.
• Well proven online platform with high cyber security.
• Live message chat, live voice chat, polls and quiz.
• Real time engagement.
• E-Certificates to the participants.
