

Policy for Promotion of Power Generation from Wind, Dated: 07.08.2006, Chhattisgarh

Sl. No.	Description	Summary
1.	Nodal Agency	Chhattisgarh State Renewable Energy Development Agency (CREDA)
2.	Selection of Site	<ol style="list-style-type: none"> 1. The wind energy developer will be selected on the basis of an open tender for the installation of wind energy generators at "eligible site" identified by CREDA. Such developer will be given the land use right for the installation of generator of the land within 25 Km radius of "eligible site". 2. If any private developer identifies an "eligible site", then first right for installation of the generator will be given to that developer for the land within 10 Km radius of "eligible site".
3.	Grid Interfacing	Grid interfacing and maintenance will be undertaken by the developer as per the specifications of the Chhattisgarh State Electricity Board at their own expenses. However should the developer so desire, the Chhattisgarh State Electricity Board could undertake these works, on payment of charges to be decided by it.
4.	Evacuation	Chhattisgarh State Electricity Board will undertake to transmit on its grid the power generated by the eligible developer and make it available to him for captive use or to the third party nominated by him (developer), at the charges determined by the Chhattisgarh State Electricity Regulatory Commission, irrespective of the distance from the generating station.
5.	Land	<ol style="list-style-type: none"> 1. The land use permission for the land owned by the Government will be given to the developer for 30 years or period of project which- ever is earlier. 2. The government land required for such project shall be allotted to the selected developer in accordance with the requirement conveyed by the Energy department to the Revenue department. 3. Acquisition of land will be carried out as per the ideal rehabilitation policy under land acquisition act of the State Government. 4. If landowner selects the option to give the right to use his land for the project to the developer then developer shall have to pay an annual rent of Rs . 5000/- per acre to the landowner. This rent will be increased @ 15% every three years. This arrangement will be in force for 30 years.
6.	Incentives	Wind energy generating companies shall be also eligible for all the incentives for new industries, declared in the industrial policy of the Department of Industries of the Government of Chhattisgarh. Such firms will have to abide by the duties laid down in the industrial policy and in all the prevalent policies of the Government.
